## PROFILE

Nicolas has experience representing clients in commercial and investor-state disputes across various industries, such as construction, transportation, mining, energy, and telecommunications. Nicolas has represented clients—sovereigns, state-owned entities, and private parties—across various jurisdictions under the ICSID, UNCITRAL, ICC, ICDR, and AAA Rules. He has also served as a secretary to arbitrators and chairs under ICC and ICDR rules.

Prior to joining BSF, Nicolas worked in the International Arbitration practice at a leading international law firm based in Miami, Florida. He brings five years of experience from Colombia. Nicolas was an associate of the dispute resolution practices at two law firms. In addition, he has clerked for the Constitutional Court of Colombia and the Council of State of Colombia, Third Chamber.

Nicolas has taught international arbitration and commercial law at Pontificia Universidad Javeriana. He is a member of Young ICCA, ALARB, MIAS, ICC YAAF, and a board member at Colombian Very Young Arbitration Practitioners.

Nicolas is a native Spanish speaker and fluent in English.
